ica is where people from around the world gather and interact without any boundaries in order to learn something new from each other. We promote the grass-root level of international cultural exchange with our members. Izumisano City supports us with finances and human resources, and we also cooperate and collaborate with Izumisano City to plan and carry out activities.

—Mission—

- ① We contribute to global peace, prosperity, well-being and the happiness of people through promoting new friendships, cultural exchange, and solidarity. Therefore, we seek out interactions with different countries, regions, and people.
- ② We create a global city, Izumisano, that is full of humanity.

—Activities—
